

# BABBAT - BETTER ADULT TRAINING

06-2022

NEWSLETTER #66

*The Erasmus + project BOB AS A BAIT - BETTER ADULT TRAINING LTTA was held in Tenerife on March 7-11, 2022*

*On the first day of the training, partners from Iceland, Greece, the Czech Republic, Latvia, Tenerife, Estonia and Lithuania discussed the prepared training manuals and presented motivational videos for the members of the Focus group.*

*The second day was dedicated to meetings with business representatives in Tenerife. The partners visited the Felipe Monje vineyard, a winery. The local businessman told us where his business journey started and what difficulties he faced.*

*The report of the external evaluator started on the third day.*

*The participants of the training also had the opportunity to meet with the representatives of the non-governmental organization "Factoria Social" and participate in the trainings organized by them.*

<http://https://babbat.riseba.lv/>

*The fourth day was the last work of the third intellectual product. Decided on the design of the brochure, video material. The owner of the Tenerife petrol station told his business history about the impact of the COVID19 pandemic on his business.*

*The morning of the fifth training day was dedicated to the closing conference to be held in 2022. May 27 For delivery in Šiauliai.*

*The training week was spent rewarding with indelible impressions and invaluable experience.*
